International Conference on Education For Social Cohesion

11 – 12 July, 2020

The Conference will address various dimensions of social cohesion and the role that higher academic institutions and teachers can play in promoting the same. These dimensions include:

Theme 1: Social disparities and discriminations, racism, gender equality, prejudices, unbridled nationalism, religious strife

Theme 2: Economic disparities, extremes of poverty and wealth, role of women in poverty alleviation, inclusive development, spiritual indicators of development

Theme 3: Universal education and role of teachers in laying the foundation of a new world order
